NEWSLETTER

 **SPRING EDITION** November 2021 

Hello from Julie!

Last week we had our Annual General Meeting. It was fantastic to see so many participants, family members and friends of HomePlace celebrate the achievements of the 'year that was', hear about our new Strategic Plan 2021-2025, and recognise staff who have excelled in service over many years, and through providing support in the 'HomePlace Way'.

(continued next page)

We look forward with excitement to our next event — our Annual Christmas Party on 3rd December 2021. The Christmas Party happens to be on the International Day for People with Disabilities (IDPwD).

Did you know?

IDPwD is held on 3rd December each year. It was started by the United Nations and is aimed at increasing public awareness, understanding and acceptance of people with disability. It celebrates the contributions and achievements of people with disability and promotes inclusion. To find out more, please go to: About – International Day of People with Disability (idpwd.com.au)

Looking at the IDPwD website, it shows the stories of people with disabilities who have excelled in their fields (sport, work, the arts, business, adventure, leadership, home-making) and who have been really involved in their communities. The participants that HomePlace supports also achieve in their areas of interest.

I am thrilled to share with you in this newsletter, the stories of two HomePlace participants – please read Oliver’s story of moving into his new home, and Pam’s journey to the Riverland. Milan’s achievements in woodworking, jigsaw completion (massive ones!), and dog-bed creations can also be seen in a new video on the HomePlace website.

In our Winter Newsletter, I highlighted Leo Tolstoy’s quote: “Spring is the time of plans and projects”. HomePlace’s Strategic Plan and vision: ‘HomePlace sets the standard in providing responsive, personalised, empowering support for people with intellectual disability’ with ‘Quality at our Core’ being a prioritised above all else, was launched in spring, at our AGM in October. Our Strategic Plan is our key road map that will guide our decisions and actions for 2021-2025, and we hope you will read it in this newsletter and also refer to it at homeplace.com.au/media.

Participants and our staff are central to HomePlace's achievement of our purpose: 'to support independence and inspire confidence in people with disability to live engaged and meaningful lives that communities value'. We look forward to celebrating 2021 with participants and staff together at the HomePlace Christmas party, and look forward with excitement to providing more quality support in the HomePlace Way, empowering participants to be actively involved in their communities, in 2022 and beyond.

Pam's Riverland Trip

Gumeracha

First stop the Big Rocking Horse. A must see for tourists of every kind. It is so big that it's hard to see Pam standing at the base. A pit stop for lunch and a stretch before the next step of the journey.

Cruising the Murray

We went to the Mannum Visitor Centre to purchase tickets for a trip on the PS Mayflower.

Mannum is the birthplace of the Australian Paddle Steamer. From the Visitor Centre dock we boarded the PS Mayflower for a 1.5 hour trip down the river.

A lovely day for it but on the water, it was a little cool. We stayed indoors but still had a great view of the river and surrounds.

The Captain was very helpful in showing Pam information about the river and its surrounds.

Shopping

A road trip is not a road trip without shopping. Souvenirs, local produce and gifts for others is a must. A quick look around the local gift and op shops uncovered some prize purchases.

Finding souvenir T Shirts was a bust. No-one stocks them anymore as they often don't have the space to store multiple sizes and they are not so easy to sell for the price.

The Mighty Murray River

Along the road we could catch sight of the Murray River. It was not the lovely blue colour Pam had hoped to see but majestic nonetheless. A stop at the Big Bend Lookout was a great opportunity to see the expanse of the water below us and in the distance, and to learn a little about the area.

Final Day

After a great morning sleep in we packed and headed for home. A leisurely drive through the Adelaide Hills with stops at Melba's Chocolate Factory and the Woodside Bakery ended with a return to home in the late afternoon after an overall 1200 kms journey.

The End

And thus ends the great October 2021 Riverland Road Trip!

Oliver's new home

Monday, October 18, 2021 was a very special day for Oliver, when he moved from Kilburn to his new home in Broadview.

He went to his day options at Windamere Park as usual in the morning and while he was there the HomePlace team moved all his things to his new home in time for his return. What a lovely surprise! Lots of smiles and hand clapping.

Oliver is very happy in his new home, which he shares with Gabby. Since moving in, he has been eating and sleeping well.

His family has noticed how happy, relaxed, inquisitive and socially aware Oliver is in his new home. Well done to the HomePlace team.

oneHomePlace staff sessions

HomePlace's priority goal is 'Quality at the Core'. To achieve this, we are developing a learning management system, that includes staff training and development initiatives. A first step for us, was having our first 'oneHomePlace' staff sessions on October 18 and 20.

These sessions, and their videos taken of each presentation, were aimed to:

- Bring HomePlace staff together to meet one another,
- Share thinking and improvement ideas,
- Learn about HomePlace developments such as our new Strategic Plan, and

- Teach new standards or processes to be followed so that we can improve how we work– in this case, the training session focussed on 'Quality documentation and Incident reporting'.

Approximately 47 staff attended, and another 26 have viewed the videos of the day online. Every staff member completed a short survey to evaluate the sessions, and the feedback received was really positive, with several great ideas which we will use to improve the sessions into the future.

Paula's gorgeous mosaic project

Paula designed and carefully put together this amazing mosaic of HomePlace's branding with support from Kayla. We can't wait to see the mosaic installed proudly at HomePlace. What an excellent job by Paula, thank you!

A **Strategic Plan** is how HomePlace plan to keep going well and improving in our work.

Goals are what HomePlace needs to do to make sure we stick to the Plan.

We will know HomePlace is doing well if we are achieving our goals.

HomePlace has **4** goals. These are the HomePlace Goals:

Strategic Goal 1 **Quality at the Core**

This means that HomePlace will provide the best care and support for people with disability.

Strategic Goal 2 **Growing the 'HomePlace community' and supports**

This means HomePlace will look for ways we can provide excellent support for more people with disability.

Strategic Goal 3 **Partnerships & Collaborations**

This means HomePlace will look for other organisations who think the same way we do. We will work together with them.

Strategic Goal 4 **Thriving over the long term**

This means that HomePlace will keep supporting people with disabilities for a long time.

The HomePlace Board and Leadership team
invite HomePlace participants and family members,
and all staff to our annual
