

HomePlace is a disability organisation.

We support people living with disability across Adelaide.

We support people to live in their own homes.

We support people living with disability to feel happy and that they belong in the **community**.

Community means a group of people who live, work, or spend time in the same area as you.

We listen to each person and support them in their own way.

4.	_____

There are 4 rules that we follow.

These are:

1. Respect.

We respect each person we support for who they are.

2. Safety.

We do our best to keep the people we support safe from people who may:

- Try to hurt them.

- Treat them in a way that upsets them.

- Ignore them.

- Use them to get what they want without caring about how the person living with a disability feels.

3. Trust.

We tell the truth.

We do what we say we will do.

4. Enduring Partnership.

We work together to support people to do the things that they want to do.
