

We support you to belong in your **community**.

Community means a group of people who live, work, or spend time in the same area as you.

We support you to learn new skills and keep the skills you have. We can support you when you are:

- Finishing school.
- Starting work.
- Enjoying retirement.
- At different times of your life.

We support you one-to-one or to join small groups where you learn and practise skills and do fun activities together.

The activities you might do are:

- Sport.
- Health and fitness.
- Music.
- Cooking.
- Shopping.
- Arts and crafts.
- Running your own business.

We support you with transport and travel to places you need or want to go.

We support you to do activities you enjoy while meeting people and making friends.
